

You are invited to the launch of The Friends of Christ Church, Eaton at noon on Sunday, 28 January 2018

Thanks to the generosity of local people and our congregation we have been able to fund major projects to repair, maintain and improve the fabric of our much loved Victorian church over the last five years.

This includes its most important stained glass windows, bell tower and organ, as well as creating a new social space.

As with all old buildings, there is more to be done. By becoming a Friend of Christ Church you can help us do even more to continue to restore this wonderful Victorian church.

Please come along and join us for drinks and canapés so we can explain more about our plans for Christ Church!

If you would like to attend the launch you can RSVP to FriendsofCCE@gmail.com

Christ Church, Church Avenue, Norwich NR2 2AQ
(between Mile End Road and Christchurch Road)

Charity number: 1130553.

The picture of Christ the King, by Graham Patrick, is part of the West Window which was restored through fundraising
